Ralph Feldman
Fire Marshal
250 Livingston Street
Brooklyn, N.Y. 11201

Dear Ralph:

I wish to thank you for taking time out of your busy schedule to come to our class and instruct the new Fire Marshals.

Your lecture on Building Construction was very informative and deeply appreciated by the students and myself.

Your appearance demonstrated the profound interest you have in the members of this Bureau by sharing of this knowledge.

Again, let me express my thanks to you for having accommodated us with your time, knowledge and consideration.

If in the future you feel that I can be of some assistance to you, please, do not hesitate to call on me.

Very Truly yours,

John Stickevers
Director of Training
Bureau of Fire Investigation
